

Regain the freedom of your outdoor space

The Acorn 130 Superglide Outdoor Stairlift

The Acorn Superglide Stairlift is one of the most technologically advanced stairlifts available, helping thousands of people worldwide to reclaim full access to their home or garden. It's the safe, comfortable and simple solution to difficulty with outdoor steps.

The outdoor stairlift has all the features of the indoor stairlift, but is designed and manufactured specifically for outdoor use.

In addition the outdoor stairlift comes with a durable waterproof cover for the ultimate in outdoor protection.

The Acorn Superglide Outdoor Stairlift is ideal for situations involving any steps that are exposed to the elements, including garden steps, balconies, porches, verandas and garage or basement steps.

All metallic components are either made from aluminium, and are oil annealed or zinc plated before powder coating. Plastic components are heat and UV resistant, protecting the stairlift from color fading and ambient heat damage.

You can rest safe in the knowledge that tens of thousands of homes worldwide have already enjoyed the Acorn experience.

Give your life a lift®

Enjoy the home you love

A wealth of features for your benefit

- 1 Padded seat and backrest.
- 2 Easy to use controls.
- 3 Secure safety belt.
- 4 Folding arms, footrest and seat allow easy access to the stairway.
- 5 Swivel seat - no need for twisting the body to get on and off the lift.
- 6 Lockable on/off switch allows the user to prevent others (e.g. children) from using the lift.
- 7 Diagnostic digital display informs the user of the status of the lift.
- 8 Five safety sensors on the footrest and carriage stop the lift automatically if any obstruction is encountered.
- 9 Hand-held remote controls allow users to 'call' or 'send' the lift up and down the staircase.
